

A collection of Cane-line lanterns, some square and some cylindrical, with lit candles inside, arranged on a surface. The background shows a sunset over water with mountains in the distance. The lanterns have dark frames and glass or metal mesh sides. The text "LIFE MADE COMFORTABLE" is overlaid in a white box.

**LIFE
MADE
COMFORTABLE**

Illuminate! – indoors and out

Create a cosy atmosphere and light your surroundings with Cane-line lanterns, which are the epitome of Scandinavian design, clean lines and high quality materials. These multi-functional lanterns can be used all year round – indoors or out – with different decorations and as mini greenhouses.

Cane-line®
